April 5, 2024

Dear Kia Retailer,

Kia America is pleased to announce pricing for the refreshed 2025 Kia K5. With notable exterior and interior design updates, a larger and more powerful standard engine, and a host of ADAS and technology upgrades the K5 places Kia at the cutting edge of the passenger car market.

All K5s benefit from enhanced suspension tuning and improved noise insulation for a more premium driving experience. In addition, the K5 interior receives the new advanced panoramic cockpit, providing a level of in-cabin technology and sophistication often seen in BMW and Mercedes sedans costing tens of thousands more.

The upgraded K5 GT with its class-leading 2.5-liter turbo powertrain is the most powerful midsize for the money and an ideal choice to capture new customers that can no longer be served by the departing Stinger or departing competitor performance variants, such as the recently discontinued Toyota Camry V6.

The popular selling GT-Line gains standard SynTex seat material, larger 12.3-inch Navigation display, front and rear parking sensors, enhanced auto emergency braking technology, highway driving assist, and more. GT-Line, EX, and GT trims appeal are broadened with Kia's new Connected Car Navigation Cockpit, aimed to create an enhanced seamless experience, featuring enhanced graphics, quicker access to key functions, plus wireless Apple CarPlay and Android Auto.

What's new for the 2025 Model Year (standard and available features):

Design

- Front/Rear: Lighting, grille, bumper facias, integrated spoilers
- All-new alloy wheels: 16-inch, 18-inch, and 19-inch (and available gloss black 19-inch on GT1)
- Four new colors including Steel Gray matte finish paint

Connectivity and Convenience

- Panoramic curved 12.3" dual-display screens
- Connected Car Navigation Cockpit with wireless Apple CarPlay and Android Auto
- Smartphone Digital Key 2.0

Enhanced Safety and Advanced Driver Assistance Features

- Seventeen standard driver's assist and safety assist features
- Blind-spot View Monitor
- Side parking sensors

MSRP for MY25 K5 models (does not include \$1,155 destination)

LXS	\$26,990
GT-Line	\$27,990
GT-Line AWD	\$29,590
EX	\$34,490
GT	\$33,090

Complete pricing information for the 2025 K5 lineup may be found in the vehicle information section on KDealer+.

Sincerely,

Eric Watson
Vice President, Sales Operations
