Dear Kia Retailer,

Kia America is pleased to announce pricing for the all-electric 2025 Kia EV9 three-row EV Sport Utility Vehicle. For this model year, Kia has simplified the EV9 color and option offerings resulting in over a 50% reduction in model complexity. Changes include:

Options

- Light Long Range RWD: Front Sunroof is now added standard
- Land Trim AWD: Relaxation Seat Package has been dropped as an option

Colors (Exterior & Interior)

- New Exterior colors added: Glacial White Pearl, Ebony Black
- Exterior colors deleted: Ivory Silver Gloss, Ivory Silver Matte, Ocean Blue Matte
- Interior colors deleted: Dark Gray & Navy on GT-Line trim

EV9 is one of the most awarded EVs on the market, with many prestigious accolades since it launched last year, such as:

- North American Utility Vehicle of the Year
- World Car of the Year & World Electric Vehicle
- Car and Driver 10 Best
- Kelly Blue Book Best 3-Row Electric Vehicle
- Motor Week Best EV

All pricing is carryover from 2024 with exception of the Light Long-Range trim (increased MSRP to reflect addition of standard Sunroof).

MSRP Pricing (does not include \$1,495 destination charge):
