Valued Kia Retail Partner,

Kia America is pleased to announce pricing for the 2026 Carnival ICE and HEV Multi-Purpose Vehicle with seating for up to eight and 18 standard safety features. For this model year, Kia has simplified the Carnival option offerings, resulting in a nearly 25% complexity reduction, which will enhance inventory availability and throughput.

As one of the best equipped MPVs on the market, Carnival delivers high levels of standard equipment that offers next-level high-tech features, including Surround View Monitor, as well as segment exclusive Blind-Spot View Monitor and radar driven Auto Emergency Braking with Intersection Detection.

Both Carnival ICE and Turbo-Hybrid powertrains also continue to offer the popular Dark Edition with exclusive styling elements. Carnival's SUV-inspired styling combined with best-in-class interior room will continue to drive new traffic to your showroom.

Changes

- Rear Seat Entertainment will be offered exclusively on SX-P with VIP Lounge Seat
