Dear Valued Kia Retail Partner,

Kia America is pleased to announce pricing for the 2026 K5. Furthermore, the popular red interior color option will now be available at a more affordable price point starting at base GT-Line trim.

The K5 continues to offer dynamic styling and advanced technology, including 17 standard collision avoidance and safety assist features. Consumers will also continue to choose from a powerful class-leading 290 HP turbocharged 2.5L engine on the GT or a capable AWD system available on GT-Line, for superior all-weather control.
