Dear Valued Kia Retail Partner,

Kia is pleased to announce pricing for the 2025 Sorento (ICE). The launch of the MY25 Sorento ICE will accelerate the momentum we have seen with the refreshed turbo hybrid and plug-in hybrid models, completing the trio of powertrains, suiting the needs of your customers.

New for model year 2025, the X-Line and X-Pro adds a dark themed exterior treatment, extending the popularity of Sorento's higher trims. Sorento's lengthy list of standard features, combined with 15 standard collision avoidance and driver assist features, will continue to attract existing move-up Kia customers.

Consumer Reports recognized the Sorento with the coveted Recommended rating, which will further elevate traffic to your showroom. Sorento was also recently certified with a 5-Star rating by NHTSA.

Trim Updates:

- X-Line and X-Pro (standard dark themed enhancements)
 - Gloss black front and rear bumper treatment, plus side sills
 - Gloss black alloy wheels (X-Line only)
 - Black badging
- Panthera Metal exterior color will replace Gravity Gray
