Great experience very welcoming staff easy to talk to and just get to the point. Joey my sales rep was very helpful and even got it to where I had zero dollars down. Great car buying experience and couldn't ask for a better time.

Thanks to Alex Burt my service advisor for all of your help. Also a shout out to Darryl, their driver, for the rides to and from the office while my van is being serviced. This added service has kept me coming back for years.

I went into Lee's summit with a issue from a previous dealership that left me hanging but Keith Allen over at Lee's summit Honda helped me with my issue flawlessly and was the best through the whole experience I came in kinda overwhelmed and left a very happy and pleased customer with a wonderful experience Keith Rocks and is the best

Just purchased a new vehicle from Lee's Summit Subaru and it was a fantastic experience. Zane, our sales representative was so helpful and caring, in fact the entire staff was impressive. Definitely will get our business in the future. Highly recommend.

I have owned a Subaru for the past 6 years and always come to Lee's Summit Subaru. I recently came in without an appointment and could tell the service department was a little overwhelmed but Chris and Ashton were able to help me get my car fixed and get me on my way super fast. I always have a great experience but this was above and beyond.

Dave

The whole dealership was so professional and took care of me like family- and the Luke the salesman and the finance manager were absolutely amazing I could not have felt more like I was with family I would recommend highly.

This is an OUTSTANDING dealership. Mike Craig has been incredible helping us to find our Maverick, answering our questions, teaching my wife how to "push the right buttons," and enjoy driving her new Maverick. The whole process has been easy and without problem. A Big Thank You to the entire staff at Smithville Ford.
