Chase M was in contact from the moment we said we were interested in our Explorer, and was beyond helpful every step of the way! He made the process so easy and stress-free! We're incredibly appreciative!

Susan K.
Dakota was amazing from start to finish. A squirrel decided to move into the engine and snack on the wiring harness of our 16-year-old daughter's Escape. Even though the part took time due to the vehicle's age, Dakota kept us updated, always answering our calls and made sure everything was ordered and installed correctly.

Great experience, Tremon Solomon-Russell was great to work with. Would recommend him and this dealership to anyone thinking of purchasing a Honda.

Rosalie D.
Keith Allen is terrific! I had appt because of hissing sound upon acceleration issue with my CRV. He helped me get car in and guided me through the whole process. Always excellent care! Never pushy on preventative maintenance!

Best car buying experience from start to finish! No pressure, super helpful and I left feeling like I got a good deal! Never had a Subaru in my life, but I can tell you if I ever buy another vehicle, it'll be from here! When you show up, ask for Kevin. We put him through the paces and he was extremely patient. If you're thinking about buying new or used, this is your one stop shop. If you're debating on a Subaru, the vehicles speak for themselves!

Every time I have my car serviced here the service department team is incredibly friendly, informative, and the service is completed quickly. Wouldn't go anywhere else!

Greg S.
Mike Craig was my salesman and great to work with! All the staff there were excellent and made the buying process very smooth and seamless. Amazing service all around!

Dennis G.
Really good service. Truck went down unexpectedly and we were in a tough spot. They were able to work us into service schedule, with troubleshooting as soon as truck arrived and fix the next day. Highly recommend to anyone needing work on their truck.

Community Spotlight

Lee's Summit Honda supported Newhouse KC through their Q1 Road to Giving campaign, raising \$10,918.75 to help provide critical resources for local domestic violence survivors, along with donating a collection of much-needed items.

Lee's Summit Subaru's Service Customer Appreciation event had a fantastic turnout, offering complimentary oil changes. The team enjoyed connecting with customers, along with raffle prizes, good food, face painting, and yard games that made for a fun day all around.

Blue Springs Ford Collision Center partnered with AAA Missouri and Platte County High School to support their driver education program by donating parts and labor to refurbish a 2018 Buick Encore for student drivers. The project helps provide real-world driving experience and supports safer roads in our community.

Celebrate Excellence, Growth & Harmony

Help us recognize the team members who go above and beyond each day at Balderston Auto Group. Our Excellence, Growth & Harmony Awards celebrate employees who live out our core values through their work and teamwork. Your nomination helps highlight the people who make our culture stronger.
