100% NPS & standout service leadership!

Great new addition to the drive!

Top express sales with 100% NPS!

Achieved Senior Master Technician!

Deana W.

I have worked with Matt at Blue Springs Ford three times now. He takes a great deal of pride in his work and goes above and beyond to make his customers feel special. You know he has your best interests at heart. Thank you, Matt!!

Lou V.

Blue Springs Ford did a great job with my 2021 F-150 60,000 service. Service Advisor Alex Burt was attentive and explained everything in a simple way, great job. Highly recommended.

Gryphon R.

Treymon was fantastic to deal with. Not pushy at all, and extremely pleasant. After shopping for a new car for a good 4 months, I spent A LOT of time in different dealerships and this was by far the best experience of any of them. The finance manager was also incredibly friendly and pleasant to deal with. Not too mad about the Lifetime Powertrain Warranty the dealership provides. Overall a great experience.

Wanda H.

Service folks were fantastic. Really appreciated Cory's knowledge and enthusiasm.

James W.

Made the drive down from Omaha down to Lee's Summit. Marco was a pleasure to work with. The back end at the dealership had the paperwork ready for me when I got there. Smooth transaction. Price was in line with the market for the make and model. Definitely gonna be my go to Subaru dealer even with it being 180 miles south.

Trevor C.

Wonderful service department! They were able to fit me in last minute as a walk-in to fix a quick problem with my wheel locks. I'm very grateful for that kindness.

Chris M.

MJ and the Team at Smithville Ford were great to work with. My experience was flawless and I was treated with respect. This was a long-distance purchase that had the same professionalism as a face to face experience!

Barb M.

I was so grateful for the great customer service from Smithville Ford on my recall. Communication was outstanding and having the valet service for pick up/drop off was very welcomed. Thanks so much!

Community Spotlight

Lee's Summit Subaru visited Meadow Lane Elementary to deliver school supplies and breakfast for teachers and staff. Through Subaru Loves Learning, the team was proud to support LSR7 educators and students for the new school year.

Lee's Summit Subaru was proud to present Hillcrest Transitional Housing with a check for \$27,800 raised through the 2025 Subaru Share the Love Event. Congratulations to Hillcrest on 50 years of making a difference in our community.

Lee's Summit Subaru celebrated Hillcrest Transitional Housing's 50th Anniversary alongside Dealer Principal McCall Witt, who was honored with the Scott Brandom Legacy Service Award for her extraordinary commitment and service to the organization.

Celebrate Excellence, Growth & Harmony

Help us recognize the team members who go above and beyond each day at Balderston Auto Group. Our Excellence, Growth & Harmony Awards celebrate employees who live out our core values through their work and teamwork. Your nomination helps highlight the people who make our culture stronger. Scan the QR code to nominate someone for recognition at this year's Annual Christmas Party.
