

MAINTENANCE, THE TRITON WAY

Maintenance packages are becoming more prevalent, and Triton Automotive Group's comprehensive offering is a catch-all solution for those looking for a way to simplify their service trips to the dealership. Branded via Gulf States Financial's SecureNet Maintenance Plus, Triton Protect Pre-Paid Maintenance is available for immediate implementation and serves as a way to build retention and loyalty with the customers, adding another revenue stream and an opportunity to drive additional sales.

Available as Two Packages:

STANDARD: provides coverage on new or used vehicles that do not currently have complimentary maintenance.

WRAP: provides coverage on new or used vehicles once the factory complimentary maintenance package expires.

- A simple maintenance product that covers oil and filter changes, tire rotations, and multi-point inspections.
- All vehicles are eligible, regardless of year, make, model, or mileage.
- All point-of-sale materials and training are included.
- Contracts, invoices, and services are redeemed through the same OnRamp! portal that your Sales, Service, and Accounting Departments are using for the Triton Protect suite.
