

Z<sup>®</sup>  
2025

<sup>1</sup>Horsepower and torque varies by trim level. Contact dealer for details. <sup>2</sup>Manual transmission only. <sup>3</sup>See [NissanUSA.com/connect/legal](https://www.nissanusa.com/connect/legal) for more NissanConnect features/services information. <sup>4</sup>Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all time so full attention may be given to vehicle operation. <sup>5</sup>Feature availability varies by vehicle model year, model, trim level, packaging and options. <sup>6</sup>Dry carbon-fiber requires specific maintenance. Please see your Owner's Manual for details. <sup>7</sup>Extra cost option. <sup>8</sup>Professional driver, using extensive safety precautions. Do not attempt. Driving is serious business and requires your full attention. Obey all traffic laws, always drive safely, and wear your seat belt. Damage resulting from racing, competitive driving, track, off-road and/or airstrip use not covered by warranty. See your new vehicle limited warranty information booklet and Owner's Manual for proper vehicle operation and complete warranty details. <sup>9</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other external device not included. <sup>10</sup>Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>11</sup>Lane Departure Warning only operates when lane markings or road edge (if equipped) are able to be detected. See Owner's Manual for safety information. <sup>12</sup>Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. <sup>13</sup>Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. <sup>14</sup>Automatic transmission only. <sup>15</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>16</sup>Feature availability varies by vehicle model year, model, trim level, packaging and options. Connectivity service may be required. Alexa is Amazon's cloud-based voice service. Subject to third party service availability. Amazon, Alexa, Echo, and all related marks are trademarks of [Amazon.com](https://www.amazon.com), Inc. or its affiliates. For more information see [NissanUSA.com/connect/legal](https://www.nissanusa.com/connect/legal). <sup>17</sup>Available only on Nissan vehicles with AT&T-compatible in-vehicle Wi-Fi hotspot capability. **Subject to third party service availability. Trial activation required. Trial ends when all data is used or period ends, whichever comes first. Use features only when safe and legal. Data charges may apply. Subject to AT&T terms and conditions and its privacy policy, and are not within Nissan's control. Visit [www.att.com/csa](https://www.att.com/csa) for complete terms and conditions.** Trial subscription is subject to change or early termination at any time without notice. Trademarks and trade names are those of their respective owners. <sup>18</sup>For complete information concerning warranty coverage, conditions, limitations, and exclusions, see your Nissan dealer, [parts.nissanusa.com](https://www.parts.nissanusa.com) and read your vehicle's Warranty Information Booklet. <sup>19</sup>Compatible smartphone and vehicle remote engine start system required. Virtual Key to be used only in accordance with laws or rules in effect in your vehicle's location. Actual maximum distance for operation will vary depending on obstructions between compatible device and vehicle. <sup>20</sup>Dual Camera Drive Recorder to be used only in accordance with any laws or rules in effect in your vehicle's location that may apply to audio or video recordings of drivers and passengers. <sup>21</sup>Vehicle shown is for illustrative purposes only. Not representative of brochure's model year/model. <sup>22</sup>Cargo and load capacity limited by weight and distribution. Always secure cargo. <sup>23</sup>Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>24</sup>Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>25</sup>Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. <sup>26</sup>Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. <sup>27</sup>RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. <sup>28</sup>Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. <sup>29</sup>Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. <sup>30</sup>Driving is serious business and requires your full attention. Do not operate any devices connected to the power outlets while driving. <sup>31</sup>Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. <sup>32</sup>Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. <sup>33</sup>Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. <sup>34</sup>Vehicle must be on for the Easy-Fill Tire Alert to operate. <sup>35</sup>2025 EPA Fuel Economy Estimates. 18 City MPG / 24 Highway MPG / 20 Combined MPG for Z® Sport, Performance with Manual Transmission. 19 City MPG / 28 Highway MPG / 22 Combined MPG for Z Sport, Performance with Automatic Transmission. 17 City MPG / 24 Highway MPG / 19 Combined MPG for Z NISMO with Automatic Transmission. Actual mileage may vary with driving conditions. Use for comparison only. <sup>36</sup>Must purchase/lease a new 2025 Nissan vehicle. EVs excluded. Other restrictions apply. Contact your local dealer for details. <sup>37</sup>Roadside assistance coverage period varies by model year and model. Includes Trip Interruption benefits. For complete information concerning warranty coverage, conditions and exclusions, see your Nissan dealer and read your vehicle's Warranty Information Booklet. # Thrill, raised to the power of Z<sup>®</sup>

It's been a revolution since 1969, and it hasn't stopped since. It calls to you with a 400-horsepower,<sup>1</sup> twin-turbo V6, a quick-shifting 6-speed stick, and the ideal balance of rear-wheel drive. Wrapped in a stunning body with a cockpit that's focused on the drive, it's a pure sports car the way only a Z can be. Welcome to the revolution.

**Nissan Z<sup>®</sup> Performance** shown in Black Diamond Pearl.

It holds you like never before

A great dance partner knows how to hold you just right — tightly for control but with room to move, too. The Z® does even more than that — it holds your imagination. Advanced technology serves up everything you need to know, combined with an iconic design that never forgets what a true sports car must be.

- |                                      |  |   |  |                      |
|--------------------------------------|--|---|--|----------------------|
| Nissan GT-R™-inspired steering wheel | Contoured shift knob <sup>2</sup> from a single piece of leather | Available synthetic-suede trim for enhanced seat grip | Driver's seat cutouts for more precise steering and shifting | Padded knee bolsters |
|--------------------------------------|--|---|--|----------------------|

Tech that performs like a sports car

Knowledge is power — the more, the better. The Z® keeps you informed quickly, brilliantly, and stunningly. Tech like this is the finishing touch to a drive you'll never forget.<sup>3</sup>

12.3" Digital dashboard with Sport Mode display<sup>4</sup>

Iconic triple pod gauge cluster

NissanConnect® 9" touch-screen display<sup>3,5</sup>

Wireless Apple CarPlay® integration<sup>3,5</sup>

Android Auto™ compatibility<sup>3</sup>

## 400-horsepower, twin-turbo V6 engine

At the heart of the Z® is this 3.0-liter twin-turbocharged 24-valve V6 engine. An aluminum-alloy block and heads keep things light, while a water-cooled intercooler helps reduce the temperature of incoming air. Tech brings power with 350 lb-ft of torque starting at under 1,600 rpm.<sup>1</sup>

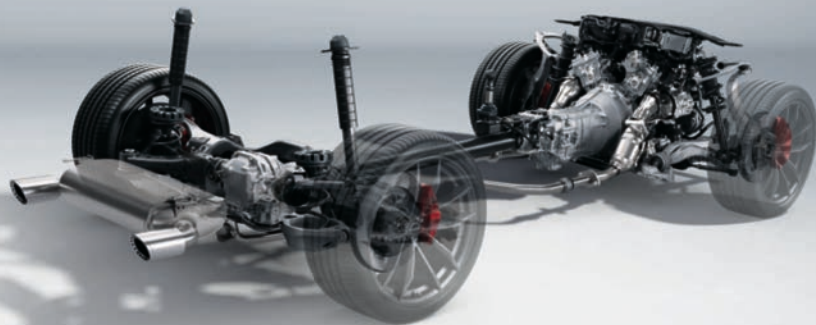

## 6-speed manual and 9-speed automatic transmissions

A 6-speed manual transmission with available SynchroRev Match® means pure driving thrills. An available 9-speed automatic with shift-by-wire controls brings cutting-edge technology and response. The hardest part? Choosing only one.

## A chassis built to respond

Z is designed to handle your favorite roads, with monotube shocks and suspension tuning for enhanced response. Strong and lightweight aluminum and carbon-fiber composite components,<sup>6</sup> plus massive 19" RAYS® super-lightweight forged wheels with performance tires,<sup>5</sup> will give a G-induced smile in every turn.

## Launch control and mechanical limited-slip differential<sup>5</sup>

Z's available launch control helps reduce wheel spin and hop by holding the engine at a pre-set rpm and modulating power as you pull away, to give you the fastest, most consistent acceleration every time. Adding to the thrill, no-lift shift technology helps you stay in the powerband. Combined with Z's mechanical limited-slip differential,<sup>5</sup> it lets you enjoy every last rpm that the powerhouse serves up.

**Nissan Z® Performance** shown in Bayside Blue QuadCoat<sup>7</sup> with Splash Guards (4-piece set) and Dual Racing Stripe.

**nismo**

## Z<sup>®</sup> NISMO<sup>®</sup> — the apex predator

Developed by the legendary motorsports arm of Nissan, the Z NISMO rattles the cages of the competition with a tuned 420-hp engine,<sup>1</sup> enhanced 9-speed automatic transmission, and unique Sport+ Drive Mode for incredible response.<sup>8</sup>

Aerodynamics learned at the track make their way to the street. A unique honeycomb grille enhances engine cooling, while front canard wing vortex generators, wider sill side spoilers, rear air splitters, and a unique rear spoiler all help provide additional downforce.<sup>8</sup>

Putting power to the pavement is a NISMO-tuned suspension featuring larger-diameter shocks and higher spring rates, massive Akebono<sup>®</sup> brakes with larger 15" rotors, and wider 19" lightweight RAYS<sup>®</sup> forged-alloy wheels wrapped in special Dunlop<sup>®</sup> tires.

Inside, it is as beautiful as it is focused, with Recaro<sup>®</sup> seats, an Alcantara<sup>®</sup>-wrapped steering wheel with a red leather stripe at 12 o'clock, and a unique instrument display on the digital dash.

**384 lb-ft of torque<sup>1</sup>**

**NISMO body reinforcements**

**NISMO-unique RAYS<sup>®</sup> forged-alloy wheels**

**NISMO-exclusive front and rear fascias, side sills, and rear spoiler**

**420** hp<sup>1</sup>

Professional Driver. Closed Course. Obey all traffic laws, always drive safely, and wear your seat belt.<sup>8</sup>

Scratch Shield Clearcoat

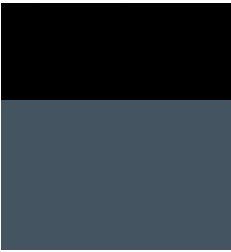

Scratch Shield is a clearcoat that is more scratch resistant compared with conventional clearcoats, helping your Z® maintain its new look for a longer period of time. The paint also helps repair fine scratches, helping to restore the Z's surface close to its original state.

CHOOSE YOUR TRIM LEVEL

SPORT

- 3.0-liter twin-turbo V6 engine
- 6-speed manual transmission with EXEDY® high-performance clutch
- Available 9-speed automatic transmission with paddle shifters and launch control
- 18" Aluminum-alloy wheels
- 245/45R18 front / 245/45R18 rear high-performance tires
- LED headlights with signature Daytime Running Lights
- LED double ring 3D signature taillights
- Automatic Temperature Control
- Nissan Intelligent Key® with Push Button Ignition
- 8-way manual adjustable driver's seat

PERFORMANCE

INCLUDES SPORT EQUIPMENT PLUS:

- SynchroRev Match®<sup>2</sup>
- GT-R-inspired paddle shifters<sup>14</sup>
- Launch control
- Mechanical clutch-type limited-slip differential
- Akebono® 4-piston front / 2-piston rear red-painted aluminum calipers
- 14.0" front / 13.8" rear vented discs
- 19" RAYS® forged-alloy wheels
- 255/40R19 front / 275/35R19 rear high-performance tires
- Chin and rear spoilers
- Heated outside mirrors
- HomeLink® Universal Transceiver
- 4-way power adjustable driver's seat with manual lifter, lumbar, and thigh support
- 4-way power adjustable passenger's seat
- Heated seats
- Synthetic-suede door panel inserts

NISMO

INCLUDES PERFORMANCE EQUIPMENT PLUS:

- NISMO-tuned 3.0-liter twin-turbo V6 engine
- NISMO/Akebono® 4-piston front / 2-piston rear red-painted aluminum calipers
- 15.0" front / 13.8" rear vented discs
- NISMO-tuned suspension and steering
- 19" NISMO RAYS® forged-alloy wheels

This trim deletes power heated seats.

- 255/40R19 front / 285/35R19 rear high-performance tires
- NISMO aerodynamic body design
- NISMO Recaro® leather-appointed seats with Alcantara® inserts
- NISMO Alcantara®-wrapped steering wheel

Images may show additional available equipment.

GENUINE NISSAN ACCESSORIES

The ultimate personal statement

Every Genuine Nissan Accessory is custom-fit, custom-designed, and durability-tested. Each one is backed by Nissan’s 3-year/36,000-mile (whichever occurs first) limited warranty (if installed by the dealer at the time of new vehicle purchase) and can be financed when installed by the dealer at time of new vehicle purchase.<sup>18</sup>

For more information and to shop online for Z® Genuine Nissan Accessories, scan the code.

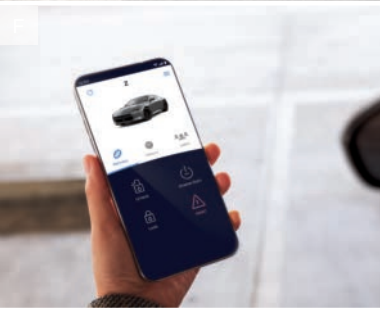

Nissan Z® Performance shown with Legend II Package, featuring 240Z-Style Front Fascia, Black Hood and Side Graphics, C-Pillar Emblems, 19" Retro-Style Aluminum-Alloy Wheels w/ Z Center Caps, Overfenders, and Carbon-Fiber Rear Spoiler.<sup>6</sup>

CHOOSE YOUR ACCESSORIES

- A. **Z Center Caps**  
The perfect finishing touch to an awesome Z!
- B. **Floor Mats — Carpeted, All-Season, Premium Carpeted (2-piece sets)**  
Protect your Z’s carpet and help keep things clean.
